

‘PRINCIPALLY YOURS’

THE NEWSLETTER OF THE BAI AVABAI FRAMJI PETIT GIRLS’ HIGH SCHOOL

July 2026.

Dear Parents,

July has been a month buzzing with activities and competitions-both Inter school and Inter-house at our school. We have won several Inter school competitions in the Literary arts and Sports & games too.

We commend our students for their success and thank the teachers and parents for the sound training.

Inter – House Declamation-16th July2026.

On the occasion of Nelson Mandela Day, our school organised the Inter-House Declamation Competition on 16th July 2026 for students of Grades III to VI. The competition was conducted in two categories—Grades III & IV and Grades V & VI—giving young speakers an excellent platform to develop their public speaking skills while reflecting on values such as courage, compassion, leadership and service. Participants captivated the audience with their confidence, eloquence, expressive delivery and well-prepared speeches. The standard of the competition was exceptionally high, making the judges' task of selecting the winners a truly challenging one. Congratulations to all the participants for their outstanding performances and wholehearted efforts. Their enthusiasm, confidence and powerful presentations made the event a memorable celebration of Nelson Mandela's enduring legacy.

	Mirelle Lopes	Ava	VA
	Avika Kamath	Petit	VA

Guru Purnima celebration was held on 29th July, 2026 at Bai Avabai F. Petit Girls' High School. Guru Purnima was celebrated to honour and express gratitude to our teachers and mentors. It is a day dedicated to spiritual and academic gurus who impart knowledge and guide individuals on their path of learning. This day is also called 'Vyasa Purnima'.

Our students enthusiastically delivered speeches, dohas, dances and poems in Hindi. The programme showed appreciation for all Gurus with great warmth. Everyone enjoyed the celebration.

OLL AI Tools & Cybersecurity Workshop

OLL successfully organized an AI Tools & Cybersecurity Workshop for the teachers to enhance digital teaching skills and promote safe technology practices on 11th July, 2026.

The session was conducted by Ms. Vanshita Palve and Mr. Sahil Sahu, who introduced practical AI tools for education and shared essential cybersecurity practices for a secure digital learning environment.

The workshop was coordinated by Ms. Shrutika Jain, Relationship Manager, OLL. The interactive session was well received and inspired educators to confidently integrate AI into their teaching practices.

“सफर कोकणाची” (A Journey Through the Konkan).”

Jamnabai Narsee School celebrated its Marathi Utsav, "सफर कोकणाची", on **21 July 2026**. The cultural programme revolved around the theme of nature and showcased the rich heritage of Maharashtra. Ten students from **Std. VI** represented our school in the dance category. A total of **16 schools** participated in the event, presenting a variety of cultural performances. Our students enthralled the audience with a vibrant dance performance based on the folk dances and songs of the Konkan region. In recognition of their enthusiastic participation, they were felicitated with participation certificates.

We are proud to share that two of our dedicated sports teachers, Ms. Khorshed S. Frenchman and Ms. Vinita S. Raichurkar, were felicitated by the Mumbai Schools Sports Association (MSSA) for their outstanding contribution to school sports. They were honoured for completing more than 25 years of selfless service towards the development of grassroots-level sports. The felicitation ceremony, held on 22nd July 2026 at the Cricket Club of India, recognised their unwavering commitment, dedication and invaluable efforts in nurturing young sporting talent. This well-deserved honour is a testament to their passion for promoting excellence in sports and continues to inspire the entire school community.

Mumbai School Sports Association - Olympic Day Celebration 2026

We are delighted to announce that our Under-14 Girls' Hockey Team secured 2nd place (Runner up) at Olympic Day Celebration organized by Mumbai School Sports Association on 21st June 2026 at MSSA School Sports Centre, Azad Maidan

CISCE Regional Games & Sports 2026 – Hockey Champions

We are further delighted to announce that our Under-17 Girls' Hockey Team emerged as Champions at the CISCE Regional Games & Sports 2026, securing **1st Place in the regional hockey tournament**. The tournament was held at the Mumbai Hockey Association Stadium, Churchgate, on 28 July 2026. Our girls displayed exceptional teamwork, determination, discipline, and sportsmanship throughout the competition, earning this well-deserved victory. This remarkable achievement is a testament to the dedication and hard work of our players. We congratulate the team on their outstanding performance and wish them continued success as they represent the region at the upcoming national championship.

PRIMARY SECTION

Learning Through Timelines

On 29th July, the Grade 3 students took part in an engaging timeline activity to understand chronological order. They carefully cut out star shapes, wrote their names and dates of birth on them, and proudly displayed their work. The stars were then arranged according to each student's birth month, creating a colourful class timeline. This hands-on activity strengthened their understanding of sequencing events while making learning enjoyable and collaborative.

Save the Earth – Poster Making Activity

On 31st July, as part of the chapter Our Planet Earth, the Grade 3 students enthusiastically participated in a 'Save the Earth' poster-making activity. They expressed their creativity through colourful illustrations and thoughtful messages promoting the importance of protecting our planet.

The beautiful posters reflected their awareness of environmental conservation and their commitment to making the Earth a better place. The activity encouraged both artistic expression and a deeper appreciation for caring for our environment.

Carnival 2026

An exciting Indoor Outreach Programme, "Carnival 2026," was organised on the school campus for the students of the Primary Section on Tuesday, 14th July 2026. The programme offered students an opportunity to participate in a variety of fun-filled and challenging activities such as Burma Bridge, Obstacle Course, Net Climbing, Giant Puzzle, Dart Aiming, and many more.

The activities encouraged students to develop teamwork, coordination, agility, balance, confidence, and problem-solving skills while enjoying a memorable day of adventure and learning.

PRE-PRIMARY SECTION

Playschool Colour Days:

Our little learners had a joyful time celebrating Yellow, Blue, Green, and Orange Colour Days! Dressed in bright outfits matching the colour of the day, the children enthusiastically explored each colour through fun activities. It was a wonderful way to make learning colours exciting.

Science Experiment:

Nursery

Children enjoyed a fun hands-on science activity by scooping sand while exploring the concepts of Full and Empty.

Lower KG:

Children enjoyed an exciting science experiment using two balloons and a ruler to explore the concept of balance. The hands-on activity sparked curiosity, encouraged observation and made learning science fun and engaging for our young learners.

Cold Cooking Activity:

The children had a delightful time during the Cold Cooking Activity, where they prepared a simple no-fire recipe with great enthusiasm.

Nursery

Higher KG:

Centre Time:

During Centre Time, the children participated in a variety of engaging, hands-on activities that encouraged exploration, creativity, and independent learning. The interactive experiences helped strengthen their thinking skills while making learning enjoyable.

Higher KG:

Pre-Primary Carnival:

The Pre-Primary children enthusiastically participated and enjoyed a variety of exciting activities. They explored fun challenges such as puzzles, obstacle courses, ladder climbing and the Burma Bridge with great energy and confidence.

Lower KG Puppet show:

The Lower KG teachers presented an engaging puppet show that captivated the young audience with its colourful characters and lively storytelling.

Lower KG Vegetable Market:

Teachers of LKG created a vegetable market set up in the LKG classroom and the class didis dressed up as vegetable vendors. Children enthusiastically explored the vegetable market setup in their classroom and bought vegetables like corn, onion, french beans and carrot in exchange of money. As an extension of the activity, the children were asked to get dishes prepared using the vegetables they had purchased from the vegetable market for their snack. The next day the children proudly got a variety of dishes their parents prepared for them. Each child spoke about the dish she got from home.

Pre-Primary Rainwalk:

Children happily walked around the school in the rain, enjoying every joyful moment together.

Nursery:

Lower Kg.

Higher KG:
